James & Weaver Joins Buying Group

Aug. 9, 2007 7:22 a.m.

YOUNGSTOWN, Ohio – [James & Weaver Office Environments](#) has joined the Office Furniture U SA national buying group, the company announced Wednesday.

The partnership provides the 82-year-old James & Weaver with the ability to sell more office furniture lines, says its president, Denise Powell, "and gives us substantial buying power."

James and Weaver operates its headquarters on Wood Street downtown and a furniture showroom at Federal Plaza East and South Avenue.

Plans are nearing completion for the opening of a second James & Weaver store in Cranberry, Pa., according to Powell.
